

Govroam Wiki

Welcome to the Govroam Wiki where we hope you will find all the answers you're looking for.

If you're uncertain as to what Govroam is then please take a detour via our [main site](#) for background information, the Tariffs and various management information.

We have documentation for you:

Visited Only boarding form

- This for for sites signing up as Visited Only. For details see the [FAQ](#).

Full Service boarding form

- This for for sites signing up for the full service. For details see the [FAQ](#).

Govroam Technical Specification v2

- Covers the technical requirements of the Govroam service, from the wireless configuration to the audit and logging commitments.

High Level Architecture

- An informal document which describes from first principles how Govroam works.

And a list of [Frequently Asked Questions](#), including information on boarding, hardware, software and EAP types.

If you have any other questions then please contact us.

If you're an existing Wiki user or have just joined Govroam then Site administrators should go [here](#) and login with either your registered account or via Google. Once registered you need to contact us at govroam@jisc.ac.uk to be authorised for the rest of the content.

Contact us at govroam@jisc.ac.uk with any enquiries.
