

Govroam Wiki

Welcome to the Govroam Wiki where we hope you will find all the answers you're looking for.

If you're uncertain as to what Govroam is then please take a detour via our [main site](#) for background information, the Tariffs and various management information.

We have documentation for you:

Visited Only boarding form

- This for for sites signing up as Visited Only. For details see the [FAQ](#).

[Full service boarding form](#) - This for for sites signing up for the full service. For details see the [FAQ](#).

Govroam Technical Specification v2

- Covers the technical requirements of the Govroam service, from the wireless configuration to the audit and logging commitments.

High Level Architecture

- An informal document which describes from first principles how Govroam works.

And a list of [Frequently Asked Questions](#), including information on boarding, hardware, software and EAP types.

If you have any other questions then please contact at govroam@jisc.ac.uk.

Site administrators

If you're an existing Wiki user or have just joined Govroam then **Site administrators should go [here](#)** and login with either your registered account or via Google. Once registered you need to contact us at govroam@jisc.ac.uk to be authorised for the rest of the content.
