

# Govroam Wiki

Welcome to the Govroam Wiki where we hope you will find all the answers you're looking for.

If you're uncertain as to what Govroam is then please take a detour via our [main site](#) for background information, the Tariffs and various management information.

We have documentation for you:

## Visited Only boarding form

- This for for sites signing up as Visited Only. For details see the [FAQ](#).

## Full Service boarding form

- This for for sites signing up for the full service. For details see the [FAQ](#).

## Govroam Technical Specification v2

- Covers the technical requirements of the Govroam service, from the wireless configuration to the audit and logging commitments.

## High Level Architecture

- An informal document which describes from first principles how Govroam works.

And a list of [Frequently Asked Questions](#), including information on boarding, hardware, software and EAP types.

If you have any other questions then please contact at [govroam@jisc.ac.uk](mailto:govroam@jisc.ac.uk).

We now provide some historical statistics about the service usage:
