# Govroam Wiki

Welcome to the Govroam Wiki where we hope you will find all the answers you're looking for.

If you're uncertain as to what Govroam is then please take a detour via our main site for background information, the Tariffs and various management information.

We have documentation for you:

Visited Only Boarding Form - This for for sites signing up as Visited Only. For details see the FAQ.

Full Boarding form - This for for sites signing up for the full service. For details see the FAQ.

#### Govroam Technical Specification v3

- Covers the technical requirements of the Govroam service, from the wireless configuration to the audit and logging commitments.

#### High Level Architecture

- An informal document which describes from first principles how Govroam works.

And a list of Frequently Asked Questions, including information on boarding, hardware, software and EAP types.

If you have any other questions then please contact at <a href="mailto:govroam@jisc.ac.uk">govroam@jisc.ac.uk</a>.

We now provide some historical statistics about the service usage: https://utilities.govroam.uk/govroamstats

### Site administrators

If you're an existing Wiki user or have just joined Govroam then **Site administrators should start here** and login with either your registered account or via Google. If you haven't got an account then contact us at <a href="mailto:govroam@jisc.ac.uk">govroam@jisc.ac.uk</a> and we'll generate one.
