Govroam Wiki

Welcome to the Govroam Wiki where we hope you will find all the answers you're looking for.

If you're uncertain as to what Govroam is then please take a detour via our main site.

We have documentation for you:

Vistied Only boarding form
- This for for sites signing up as Visited Only. For details see the FAQ

Full Service boarding form
- This for for sites signing up for the full service. For details see the FAQ

Govroam Technical Specification v2
- Covers the technical requirements of the Govroam service, from the wireless configuration to the audit and logging commitments.

High Level Architecture
- An informal document which describes from first principles how Govroam works.

And a list of Frequently Asked Questions, including information on boarding, hardware, software and EAP types.

If you have any other questions then please

If you're an existing Wiki user or have just joined Govroam then Site administrators should go here.
